## This Week:

### Reading/ELA

We are jumping right into lessons. Our reading this week will focus on character, setting and theme. We will learn about homonyms and sentence structure. Each student is required to read 20 minutes each day, at home. Let me know if your child is not reading or logging it.

## Spelling Words

happen	lesson
lettuce	spelling
Basket	napkin
winter	collar
sister	traffic
problem	suggest
supper	puppet
subject	

### Math

Third grade math will focus on multiplication and how it relates to all future math concepts. Math games and flash cards will really help the automaticity needed. Typically, we will have math HW every day.
