November 21, 2022

## This Week:

### Reading/ELA

Our writing skills this week are prefixes un-, re-, mis-, and dis-. Making an inference is the reading skill (using what we read with what we already know to make an inference).

Students must read 20 minutes daily for homework and quiz at **least** once a week. AR is 20% of the reading grade. Keep reading!

### Math

We are working with relating multiplication and division. The math vocabulary is *inverse operation*. Keep practicing those multiplication facts!

### Social Studies

We are studying Native American culture and how they lived.

## Spelling Words

- |              |                 |
|--------------|-----------------|
